Attention is drawn to the fact that in the opinion of the management, Statement of Cash Flows for the corresponding period from 1st April 2018 to 30th September 2018, is not required to be disclosed.
2. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 Interim Financial Reporting (Ind AS 34), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statements based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial information Performed by independent Auditors', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of personnel responsible for financial and accounting matters, and applying analytical and other review procedure. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard ('Ind-AS') specified under section 133 of the Companies Act, 2013 as amended, read with the relevant Rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. The comparative financial information for the corresponding quarter ended 30th September 2018 and year to date results for the period from 1st April 2018 to 30th September 2018 included in these Ind-AS financial results of the Company, are based on the previously issued financial results prepared in accordance with recognition and measurement principles of Accounting Standard 25 "Interim Financial Reporting", as specified under section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind-AS, which have been certified by the management.
